Dear Mr. Newman:

As 1959 Papers Committee Chairman, I am writing past contributors to inquire if you will furnish us another of your fine articles for the "Numismatist".

It is through the efforts and co-operation of members like you, who write manuscripts for publication, that keeps the "Numismatist" highly interesting to our members.

Should you have any material completed, or near completion, would you please send material, or Title of manuscript, to Editor Elston G. Bradfield, P. O. Box 3491, Chicago 54, Ill. or to your Chairman, before August 1, 1959.

The title and name of author will then be included in our report at the A. N. S. Convention in Portland, Oregon, August 26 to 29, 1959.

For further information check page 558, May issue of the "Numismatist". Thanking you in advance, I remain,

Yours Sincerely,

Leo G. Terry

Dear Eric:

A long time ago you offered to look over papers on colonial currency which had been submitted for consideration with a view to possible publication in The Numismatist. May I take advantage of your good nature and ask that you give me an opinion on the enclosed? Your thoughts will be most highly valued.

I hope you liked the presentation of the Continental Currency dollar and that you received fifty copies of the issue directly from the printer.

Also, I have a review of your ANS monograph from Ray Williamson which appears to be an honest criticism. This will be published in the October number, if official ANA documents leave me room.

With best personal regards:

Cordially

Brad

Dear Brad:

In your letter of September 2, 1959 you sent me, for review, a republication of Guttag plates of New Jersey coinage which Mr. Edward Barnsley sent. I am returning that item to Mr. Barnsley and both he and I feel that certain additions should be made to it before it is ready for republication.

My best wishes for the New Year.

Dear Brad:

I am enclosing a photocopy of a newspaper article relating to the death of Hiram Deats. I believe he was the oldest member of the A.N.A. and was one of the original founders. He carried No. 15 as a regular member and his life member number was 65.

Bill Brown, of 15 Bridge Street, Lambertville, New Jersey, President of the Lambertville New Jersey Coin Club saw him recently and may be able to furnish you additional information.

I hope this will be helpful to you.

Sincerely yours,

Dear Eric:

Many thanks for the Taxay review. You never let me down. Is in November number.

According to Coin World of a week ago, Frank Spadone has filed charges against Taxay and me for the review of his book (in Oct. Numis). I have not yet received any word ~~yet~~ from A.N.A. officials.

Best regards

Brad

Dear Brad:

Please do not be worried about filing charges and all that sort of thing. I was threatened with suit on the Zerbe dollars. I was threatened with suit on "The Fantastic 180h Dollar". Taxay was threatened with suit on his book and so it goes, as nothing ever happens. However, there is too much viciousness caused by the commercialism in numismatics but this is the way of life today.

You can count on me to help you and Don in any way I can if trouble arises.

Sincerely,

Dear Brad:

A new dangerous forgery of an Auctori Plebis copper has appeared and I would like to know if you could put it in the November Numismatist. My little writeup and picture will be sent to you in a couple of days. The most it will require is a page and a half.

My reason for asking you to publish it promptly is because I believe it will serve to prevent others from being deceived.

Kindest regards.

Sincerely yours,

Dear Brad,

Four copies of the May Numismatist are needed to complete my own file as you have sent me four extra copies of each of the others in which my article appeared.

Would you be nice enough to favor me in this respect.

Sincerely,

Dear Brad:

Enclosed is the AUCTORI PLEBIS article for the November issue, as promised.

I also enclose the photographic pasteup so that you can make a plate. I suggest it be enlarged to 1-3/4 diameter so as to fill the full width of the page.

Kindest regards.
